

## Day, Date and Venue Information

This comprehensive one-day event is designed to cover all the basics of NHS Finance, and to help all staff understand their role and the part that Finance plays in the NHS. It is designed for all NHS staff, both finance and non-finance.

All delegates will receive links to the relevant documents and a full copy of the presentations from the day to download.

Get the knowledge  
to understand  
NHS Finance  
and the impact of  
Payment by Results

## Objectives

By the end of the workshop, you will be able to outline:

- UK Government finances
- The new funding and accountability structure of the NHS
- The purpose of commissioning
- How the National Tariff works under Payment by Results
- The future of finance in the NHS
- The relationship between finance and the service.

## About the workshop leader

David Bailey is a qualified Chartered Certified accountant with thirty years' experience in the NHS in acute, primary care and mental health settings. His specialist area is explaining complex financial concepts in ways that everyone can understand.

David is author of the best-selling book *The NHS Budget Holder's Survival Guide*, published by Taylor and Francis. His clients have included The King's Fund, the Royal College of Nursing and the NHS Graduate Management Training Scheme. He has successfully trained thousands of NHS staff and is well known as a provocative, lively and entertaining speaker.
